

# MOSHI TANZANIA 2021—TRAVEL GUIDE AUG 9-24 2021

People from around the country will meet in Moshi, Tanzania—to celebrate the ordination of the new diocesan priests, the take a safari, to help with the new nursing school, to visit homes, to work on a mission project and just about anything else you want to do while there.

## While in Tanzania:

We are official guests of the diocese; our group will be met at the airport and taken to the retreat centre. It is approx. 1 hr drive.

The ordination **Mass starts at 10AM at Christ the King Cathedral in Moshi on Aug 12th**. After this, individual itineraries can be customized to suit your particular interests.

**Safari**—3 days/2 nights to the wildlife parks. Pricing TBD.

**Other activities**—visit the Upendo orphanage; local schools, parishes, homes, and seminaries; hospitals and dispensaries;

**Visit homes**—this is the real life-changing experience of your visit to Moshi. You are welcomed with great love by the people of the Moshi Diocese. Come see how they can have so much joy!

## BEFORE YOU GO:

1. Make sure your **passport is good for six (6) months** after our arrival in Tanzania (expires Mar 2022 or later). Leave a copy at home.

2. The **visa for Tanzania** costs Americans \$100. You can now apply online.

3. **Visit a doctor** to review recommended immunizations. Proof of **Yellow Fever vaccination**—or a **waiver** is required to enter the airport in Moshi if you travel through Ethiopia—but not if you arrive on KLM. There is NO yellow fever in Tanzania; we need this proof of vaccine or waiver because we are flying through Ethiopia. (T.O. Bennett can provide more info about the waiver upon request). **Malaria prophylaxis** is recommended. **Traveler's diarrhea** does happen. Be prepared with a quinolone antibiotic, such as ciprofloxacin.

4. **Travel insurance is not generally needed.**

5. **Baking soda** can be useful—for deodorizing soggy shoes, cleaning, etc. Just bring the whole box (not sure if it is available for purchase there).

6. **It can be rainy or dry. Best to plan for both. A waterproof jacket could be helpful. Make sure your shoes can withstand mud and are secure enough to walk on muddy paths.**

## PACKING:

1. People should wear **modest clothing** that also protects from mosquito bites. Long skirts are appropriate for women. Men may want to bring a sport coat or cardigan sweater for more formal occasions such as the ordination celebrations.

*The girls show off their dresses made in Moshi.*

2. For wildlife park excursions, bring typical **"safari"-style clothing**. If you go to Zanzibar, modest beach apparel is acceptable.

3. We can have our **laundry washed at the retreat centre**—so you can come with one week's worth of clothing and have them laundered.

## MONEY:

1. **Bring cash in like-new US currency printed in 2009 or later.** \$100's and \$50's get a better exchange rate than \$20's. **No marks, tears, or defects.** We will exchange money in Moshi town the day after we arrive. The average exchange rate is around 2200 TZS per \$1USD.

2. Bring a **credit card** for emergency use. Call the credit card company and inform them of your travel plans and destinations. Most purchases are paid in cash.

## ACCOMMODATIONS:

1. We stay at **Mwenge Retreat Centre**. There are single and double rooms, each with a private bath.

**<<< Yes, you sleep under mosquito netting!**

2. **Breakfast and dinner** are included in the \$40/day single and \$35/day double occupancy rates. Lunch will be taken in various places. We may give a donation to the host (such as a parish or seminary). Lunch may be taken at a restaurant once or twice.

3. **Drink only bottled water!!!! Only brush your teeth with bottled water.**

4. **Electricity is 220V.** You need this adapter if you use an electrical appliance (eg. Shaver or hair dryer). You also need a converter if the device is not auto-switching. (Computers and phones are auto-switching).

## Weather forecast—high 76F, low 58F

Overnight during the safari can get even colder!  
Plan to wear layers!

**It may rain. Be prepared.**

## TIPS FROM TRAVELERS

1. Be sure to have plenty of **Purell** or the equivalent. It is very important to keep your hands clean—and don't touch them to your mouth, nose or eyes.
2. Bring your own **hangers**—and plan to leave them there.
3. We each get one bath towel. If you need an **extra towel** for your hair or for other things, please bring a spare towel with you.
4. There are **no electrical outlets in the bathrooms**. If you need a mirror to do your hair or shave in proximity to an electrical outlet, please bring something like a **camping mirror**.
5. Power may go out at any time. Be sure you have a **flashlight** that you can carry with you.
6. **Mosquito repellent** is a must! The OFF towelettes are best thing I've found for convenience. These should be readily available in the spring.
7. Moshi is 7 hours ahead of the east coast and 10 hours ahead of the west coast in June/July. You might need an **alarm clock** (or your phone alarm) to wake up in the AM their time.
8. Don't forget your **meds**.
9. Packs of tissues may be handy just in case!
10. Print and carry your **itinerary** with you as we travel by air.
11. Contact your **cell phone** company to turn on coverage in Tanzania if you want to use your phone there. We have access to wifi most of the time.

Some people seem to attract **mosquitoes** and some don't. Wear long sleeves, full-length trousers and skirts; keep your skin covered. Put insect repellent on in the morning when you get dressed. Don't risk getting malaria! Avoid lotions and fragrances; they attract mosquitoes.

*It can be chilly there.  
The locals and the visitors  
dress in layers!*

*It is always respectful  
of the people and the  
country we are visit-  
ing if we try to adapt  
to their culture and  
customs—such as  
“dressing up “ for  
their special occa-  
sions and dressing  
modestly— no short  
skirts, shorts, or tank  
tops please. ☺*

*How the locals dress for ordination*

**TRAVELING—** The airline on which you travel will depend on your airport of origin as the flight route can vary considerably. KLM or Ethiopian Airlines are the most frequently traveled airlines for this trip.

Typically, each economy class passenger may **check 2-50 lb bags free-of-charge**; additional bags are typically charged up to \$200. We ask that you pack one of your bags with your personal belongings and either you pack the second bag with needed items (such as liturgical items) or allow us to use your second baggage allowance to transport other items.

**Carry-on baggage**—Restrictions are dependent on the airline.

**E-mail: [kmho.tz@gmail.com](mailto:kmho.tz@gmail.com) to join the group.**

## Kilimanjaro Mission of Hope and Outreach

[kmho.org](http://kmho.org)

**KMHO is a 501 (c) 3 non-profit organization headquartered in Portland, Oregon, USA. We are dedicated to serving the needs of the poorest of the poor, the beautiful people of the Catholic Diocese of Moshi Tanzania.**

Your donations to KMHO are tax-deductible in the USA. Your money goes directly to the Catholic Diocese of Moshi
